FIRST FLOOR PLAN

PROPOSED NEW PROPERTY adj TO SILENI TOWN DAM LANE DONINGTON for MR & MRS J BROOKES

DO NOT SCALE FROM THIS DRAWING

This drawing is the property of the Architect and is protected by the Copyright Designs and Patents Act 1988. It is issued on the condition that it is not reproduced, retained or disclosed to any unauthorised person either wholly or in part without the written consent of the Architect. No liability will be accepted for amendments made to the drawing by persons other than the Architect. Figured dimensions are to be taken in preference to scaled dimensions and are to be checked by the Contractor before the commencement of any work or shop drawings. The Architect is to be notified immediately of any discrepancies. The Contractor is to visit the site and be responsible for taking all dimensions relative to his work. Any variations are to be submitted to the Architect for approval before proceeding. The Contractor is to allow for all statutory notices and to comply with the requirements of the local authority, statutory undertakers and all other bodies having statutory powers. The Contractor is to give all notices and pay all fees required by the Building Regulations and any other statutory authority. All materials and workmanship are to be in accordance with the relevant British Standard Specification or Code of Practice. Any proprietary materials are to be fixed, used or applied strictly in accordance with the manufacturer's instructions. Any inconsistency between the drawings and specification is to be reported to the Architect before proceeding with the work. The Contractor is responsible for the adequacy of all temporary works and for the safety of the site. The Contractor is responsible for ensuring that adequate insurance cover is in force before the commencement of the works. The Contractor is responsible for providing adequate support to adjoining properties during excavation and construction works. The Contractor is responsible for obtaining all necessary consents under the Party Wall etc. Act 1996 before commencing any work affecting a party wall, party structure or party fence. The Contractor is responsible for complying with the Construction (Design and Management) Regulations as appropriate. CDM coordinator details to be confirmed by the Contractor prior to commencement of the works.

Work that may not specifically be shown but that is an incidental consequence of the above or that may reasonably be inferred as being necessary for the proper completion of the works shall be carried out by the Contractor without claim for additional payment.

Party Wall etc. Act 1996: when building or close proximity to adjoining neighbour's boundaries. Work to be carried out in accordance with Approved Document A (Structure) 2004 Edition incorporating 2010 and 2011 amendments and the Associated Technical Guidance published by the NHBC. The Contractor must be Asbestos Aware & to the latest codes of practice affected by the works. The General Contractor must be Asbestos Aware & to the latest codes of practice
