**Subject:** 4. Amendment Consultation

## PLANNING CONSULTATION: **AMENDMENT RECEIVED**

**Reference Number:** H04-0823-17

**Type** FULL

Proposal: Installation of high voltage Direct Current cables for the Viking Link interconnector project between proposed landfall at Boygrift in East Lindsey to a proposed converter station at North Ing Drove; installation of Alternative Current cables from the converter station to the existing Bicker Fen 400 kV Substation; as well as permanent access road to converter station, temporary facilities required during construction such as compounds and works areas

Location: Ing Drove Donington

Applicant: National Grid Viking Link Ltd

**Amended Information:**

**Extension of the planning red line boundary to incorporate the land drainage works to ensure that the land at both sides of the permanent access road can be drained. Submission of Supplementary Environmental Information Report; Tree Survey Report and response to consultations received (dwg. nos. VKL-02-34-G100-050.Rev.01 (Sheet 44), VKL-02-34-G100-052.Rev.01(Sheet 46) and VKL-02-34-G100-053.Rev.01(Sheet 47)**

The Council have received an amendment to the above application and would be pleased to receive any further observations you may wish to make. You can make comments by clicking on the link below and using the **Enter Comment** button to leave your observations.

Dear Mr Fidler

**Application ref:** H04-0823-17

**PROPOSAL:** Installation of high voltage Direct Current cables for the Viking Link interconnector project between proposed landfall at Boygrift in East Lindsey to a proposed converter station at North Ing Drove; installation of Alternative Current cables from the converter station to the existing Bicker Fen 400 kV Substation; as well as permanent access road to converter station, temporary facilities required during construction such as compounds and works areas

**LOCATION:** Ing Drove Donington

Thank you for consulting the Lincolnshire Wildlife Trust on the additional information relating to this application for the onshore elements of the Viking Link scheme.

We have read the supplementary environmental information and note the conclusions that the original assessments within the Environmental Statement remain valid in light of the additional survey results. The Trust has no additional comments to make in relation to potential impacts on protected or priority species or habitats at this time.

Yours sincerely

Clare Sterling  
Conservation Officer
