Description: Works to trees in Donington Conservation Area

Detailed Description:

Weeping willow on edge of village pond, in the garden of 6 Mill Lane.

Retrospective notification to carry out works to improve the safety of the tree. Two major limbs have fallen, unbalancing tree, leaving remainder exposed to prevailing winds.

Selective reduction of limb over pond.
Branch to north, remove upright growing branches.
Retain smaller limb to south east.

South Holland District Council has considered the proposal and has no objections, subject to any recommendation set out below;

1 That the proposed work is carried out within two years of the date of this letter of 'No Objection'.

2 Work is to be carried out in accordance with BSI 3998 : 2010, 'Recommendations for Tree Work'.

Notes:

The necessary consent of all other interested parties should be obtained before the works proceed.

Under the Wildlife and Countryside Act 1981 (as amended) all birds, their nests and eggs are protected by law and it is an offence to damage or destroy the nest of any wild bird while it is in use or being built. In the event of query please contact Natural England at their Lincoln office on 03000 603900.

Bats are protected species under the Wildlife and Countryside Act 1981 (as amended) and in the event that bats are living in any cavities in the tree(s), or if they are discovered while the works are taking place, please inform Natural England at their Lincoln office on 03000 603900 before works proceed.
