Ram Driven Posts (Scale 1:2)

Steel sheet with trapezoidal shape, ram driven into the ground with defined depth. This item affords soil examinations and eventually loading tests to evaluate the transferable forces.

This drawing is the copyright of AXIS P.E.D Limited and may not be loaned, copied or reproduced in any way - or used for any offer, quote, tender or construction purposes without written consent of the company to do so. Follow any figured dimensions - do not scale for construction purposes. If in doubt ask.
