I have reviewed the Chevin Geoenviro Assocaites Ltd report 'land adjacent to 36 Quadring Road, Donnington, Spalding. Phase 1 Desk Study Report Issue 01 Dated 28/09/2018' and I can confirm that this is suffiencent to fully discharge Condition 7 of H04-0038-18. The applicant is reminded that should contamination not previously suspected be encountered all work should cease until a scheme to deal with the contamination has been agreed with the Local Authority.
