Description of Proposed Works

Please describe the proposed works

Our property is currently sold subject to contract but for the buyers to have the mortgage accepted, the surveyors requested that the kitchen roof must be changed from the polycarbonate roof it had to a tiled roof, to have the mortgage accepted.
So for the sale to go ahead, we had a builder come in to undertake the work, which has already been completed. This consisted of the Polycarbonate roof being removed and being replaced with timber, tiles, insulation and plasterboard as shown in the pictures.
Since this, the surveyor has been around to the above property to inspect the work and has since approved the buyers mortgage.
