Mark White Walnuts 23 Quadring Road Donington PE11 4TD [redacted]	Tel: E-mail:	In the drive

I give six weeks notice that I intend to carry out the work that I have described below to tree(s) that are not covered by a Tree Preservation Order but situated within a

Conservation Area. Please give the name of the Conservation Area here: - Donington.....

Please draw a sketch plan to show the location of the tree(s), either on the back of this form or on a separate sheet, then tell us...

Species of Tree	Tree ref. number or position on site	Details of the work you propose	Why you think this work is necessary	Proposed replacement tree(s)*
Walnut		Selective reduction of branches growing over and towards house roof, to balance the tree. Having regard to previous major cuts, carry out selective reduction to thin out new growth from around these cuts, leaving a number of healthy growth points (small branches/twigs) remaining.	Large branches overhanging house Balancing of tree required	

(Separate sheets can be attached if more room is needed)

* If you want to cut down a tree we will usually require you to replace it. Normally we will ask you to plant a young tree (at least 1.5 metres high) of the same species that you have cut down, as near to where the original tree was located as is practicable. Sometimes a comparable species may be allowed instead of the same species. Please give details of the tree(s) you would like to plant as a replacement.
