F.A.O. Tracey Meachen

Morning Tracey

Further to our conversation of yesterday, we can confirm that parking for cars is available on the existing tarmac drive. Under normal circumstances there will be a maximum of 2 cars present at any given time, one leaving an appointment and one arriving for an appointment. The salon will not operate on a `drop in` basis it being sited where it is on Quadring Bank.

We trust that this clears up your query, but should you require further information please do not hesitate to contact the writer.

Regards

John Cooper
