Any variations from the approved drawings must be agreed with the Local Authority Building Control Officer before work proceeds. This drawing is to be read in conjunction with the Specification and Schedules prepared by Julian Warrick Design Consultancy. Work must not be carried out unless it has the appropriate approval and all necessary consents have been obtained. Work must not be carried out unless it has the appropriate approval and all necessary consents have been obtained. Work that may not specifically be shown but that is reasonably inferred as being necessary to form and complete the whole of the work shall be carried out by the contractor as if described in detail. Party Wall etc. Act 1996: when building or close proximity to adjoining neighbours boundaries you must serve notice on adjoining owners at least two months before work starts. Approved Document B (2019 edition) Volume 1 - Dwellings and Volume 2 - Buildings other than dwellings, Section 0: Introduction to the Approved Documents, Requirement B0 Limitation: Requirement B0 is concerned with the means of warning and escape in the event of a fire. It does not cover fire safety during construction or demolition activities, but these should be considered separately.
