Area to be surfaced with 83m² grass mat safer surfacing.

Miscellaneous
Post installation inspection.

Mound by others.
Subject to full site survey from a Proludic Representative.
Based on a flat fully established grass site.

Proposed Grassmat Safer surfacing is based on a fully established grass site (including a minimum of 150mm of good quality soil and turf).

Preliminaries have been included within your quotation, these equate to site setup, site storage, delivery, unloading of equipment, site welfare, heras fencing & signage and skips (this can also include supervision where necessary).

Topsoil & Turf/Seed to be done by others (watering is the responsibility of others and has not been costed for).

All pathways, furniture, planting, mounding and any other soft landscaping works not mentioned above are to be done by others.

Fencing will be made up from standard straight lengths and installed faceted. If rounded fencing is required this will incur additional costs.

Some images shown are for illustrative purposes only. The quote and items list will show the exact equipment used.

LEAP (Local Equipped Area for Play)
An area of open space that includes equipment for children who are beginning to experience play independently. LEAP's should be designed to ensure the area can be used for physical activities alongside the play equipment.

- Key Features:
- Minimum 400m² area
 - 5 minutes walking distance from children's homes
 - Minimum 20m from nearest residence
 - Ideally nearby popular pedestrian route
 - Flat and well drained area
