Application	H04-1188-17
Location	7 BADGATE ROAD DONINGTON SPALDING PE11 4TH
Proposal	Alterations to form additional accommodation to include dormer windows, gable ends, new windows and internal alterations.

Name	Mark Simmonds
Address	Interim Heritage Officer
Date Submitted	28-12-17
For/Against	Comments

The application site is within the Donington Conservation Area.

The rear dormer is in the style of a rectangular box and will be seen in views across from Crosslands, however this is across domestic gardens and properties and I do not consider the impact to be substantial.

No objection on heritage grounds.
