

Remove this tree

The image shows a residential street scene during the day. On the right, a two-story brick building is partially visible. In the center, a large, leafless tree stands prominently. To its right, a smaller, evergreen tree is marked with a red arrow pointing to its trunk. In the background, there are other houses and a clear sky. The text 'Remove this tree' is overlaid in red, indicating the target for removal.

Remove silver birch
