Application	H05-0229-20
Location	MULBERRY BARN TORRINGTON LANE FLEET PE12 8NJ
Proposal	Barn conversion and extension

Name	Sue Armour
Address	Environmental Protection Officer SHDC PE11 2XE
Date Submitted	21-04-20
For/Against	Comments

I have reviewed the Earth Environmental and Geotechnical (Southern) Limited Phase 1 Desk top study Mulberry Barn, Torrington Lane report ref R0160/19 dated February 2019 issue B.0 and consider that sufficient information has been presented to ensure a safe development. However, I request the following condition or note be applied to any permission granted:
In the event that contamination is found at any time when carrying out the approved development that was not previously identified it must be reported immediately to Environmental Health. An investigation and risk assessment must be undertaken in accordance with details to be agreed with Environmental Health. Where remediation is necessary, a remediation scheme must be submitted to and approved in writing by Environmental Health. Following completion of measures identified in the approved remediation scheme a verification report shall be submitted to and approved by Environmental Health.
