Spoke to Greg regarding the position of the gable window and that Building Control wanted an escape window in both upstairs rooms of the barn but the gable window was too high. We would like to re- position the window lower to allow means of escape in emergency, and also have it a side-hung casement to allow ease of escape.

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff**
- (b) an elected member**
- (c) related to a member of staff**
- (d) related to an elected member**

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
