TOWN AND COUNTRY PLANNING ACT 1990

FULL

Reference:	H05-0294-23	Date of Decision:	8th June 2023
Applicant:	Mr A Wright 14 Cross Street Fleet Spalding PE12 7BD		
Location:	Adj. 14 Cross Street Fleet Spalding		
Description:	Proposed dwelling & detached garage		

South Holland District Council hereby give notice that this application has been REFUSED for the above proposal for the following reason(s):

- 1 The site is inside the Fleet Settlement Limit as defined in the South East Lincolnshire Local Plan (SELLP), 2019. However, the proposal would result in overdevelopment and constitute a cramped and inappropriate form of development that would be out of character with the area. It would also leave little outdoor amenity space for the existing dwelling at no.14 Cross Street.

The proposal is therefore contrary to Policies 2 and 3 of the South East Lincolnshire Local Plan, 2019. Policy 2 states that sustainable development considerations should be met in relation to such matters as impact on the character and appearance of an area and the relationship to existing development. Policy 3 indicates that development proposals should be high quality and be appropriate to the character and appearance of an area.

The above policies are consistent with advice within the National Planning Policy Framework (NPPF), 2021. Paragraph 130 establishes that planning policies and decisions should ensure that developments will function well and add to the overall quality of the area and are visually attractive as a result of good architecture and sympathetic to local character and history, including the surrounding built environment and landscape setting.

- 2 Residential amenity is one of the key principles of design and development management as set out in Policies 2 and 3 of the South East Lincolnshire Local Plan (2019) (SELLP). Likewise, Paragraph 130 of the National Planning Policy Framework (NPPF), 2021 establishes that developments should ensure a high standard of amenity for existing and future users, among other considerations. Additionally, Policy 30 of the SELLP states that development proposals will not be permitted where, taking account of any proposed mitigation measures, they would lead to unacceptable adverse impacts upon the amenities of the area by way of noise pollution (amongst other matters).

The scheme proposed parking to the rear of the site which results in an unacceptable relationship and noise disturbance for the occupiers of the existing dwelling at no.14 Cross Street. Furthermore the proposed dwelling given its height and close proximity to the eastern boundary would result in overbearing impact and unacceptable overshadowing on no.18 Cross Street.

The proposal is therefore contrary to Policies 2 and 3 of the South East Lincolnshire Local Plan, 2019, as well as Paragraph 130 of the National Planning Policy Framework, 2021.

Notes:

The Local Planning Authority has acted positively and proactively in determining this application by assessing it against all material considerations, including national guidance, planning policies and representations that have been received during the public consultation exercise. Furthermore, matters of concern with the application have been identified and discussed with the Applicant. However, the issues are so fundamental to the proposal that it has not been possible to negotiate a satisfactory solution and due to the harm, which has been clearly identified within the reason(s) for the refusal, approval has not been possible.

<https://www.gov.uk/appeal-householder-planning-decision>

<https://www.gov.uk/appeal-planning-decision>

Enforcement Notices

If an enforcement notice was served prior to the planning application being determined then the deadline for appealing is 28 days from the date of the **planning refusal**.

If an enforcement notice is served after the planning application is determined then the deadline for appealing is 28 days from the date of the **enforcement notice** OR the **timescales stated above for each application type** from the date of the planning refusal - whichever is sooner.

Appeals can be made online at: <https://www.gov.uk/planning-inspectorate>. If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under the order.

Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grant it subject to conditions the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of the Part VI of the Town and Country Planning Act 1990 or Section 32 of the Planning (Listed Building and Conservation Areas) Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference of the application to him.

These circumstances are set out in Section 114 and related provisions of the Town and Country Planning Act 1990 and Section 27 of the Planning (Listed Building and Conservation Areas) Act 1990.
