Dear Sirs

Application for a Certificate of Lawfulness - Weydyke Bank Farm

The Statutory Declaration of James Smith which accompanies this application is, as yet, unsigned. A signed, sworn copy will follow in due course. The documents which are attached to the Statutory Declaration stand on their own merit in any event.

You will see that the land at Weydyke Bank Farm has been the authorised operating centre of DNS Transport Limited since 1999 and that throughout the period vehicles have been declared on the Licence. It is a legal requirement that goods vehicles operated under a Goods Vehicle Operator's Licence are kept at the goods vehicle operating centre when not in use. This is prescribed by Section 7 of the Goods Vehicles (Licensing of Operators) Act 1995. The information in the Operators Licences is thus sufficient to show that this land has been used as a goods vehicle operating centre for a period of more than 10 years. The Statutory Declarations of Mr Brennan and Mr Vickers show the area of land which has been used during that period of time and the various other documents supplied by Mr Smith further prove the use to which the land has been put. The Statutory Declaration sets out the documents which are attached and an explanation, where it is needed, of the information that they contain.

Yours faithfully

Hewitsons LLP
