

STATUTORY DECLARATION

of

MELVYN BRANNAN

relating to

Land at Weydyke Bank Farm

I, Melvyn Brannan of Flat 1, Beechfield House, High Street, Spalding, PE11 1UD do solemnly and sincerely declare that:-

1. I am employed as a driver for DNS Transport Limited ("DNS Transport") whose registered office is 32 Pinchbeck Road, Spalding Lincolnshire, PE11 1QD.
2. I have been an employee of DNS Transport since 1997. For the entire time I have been employed by DNS Transport they have used the land at Weydyke Bank Farm which is edged red on the plan which has been shown to me and exhibited at MB1 as their goods vehicle operating centre.
3. For the whole of the time I have been employed by DNS Transport I have driven all the different vehicles run by DNS Transport. DNS Transport has, during the time I have worked for them operated, vans, 7.5 tonne, 18 tonne and articulated lorries. Whilst the numbers of these different vehicles have changed slightly over the years, DNS Transport has operated all these types of vehicles from Weydyke Bank Farm as long as I have worked for them. These vehicles and trailers have been kept at Weydyke Bank Farm during my time with the company.
4. As a driver I mainly deliver goods, however part of my role includes checking over the vehicles. During the day I make deliveries, so I come and go from Weydyke Bank Farm where I change vehicle based on the requirements of the particular jobs. Every night all vehicles (other than the articulated lorries) are parked at Weydyke Bank Farm.
5. The articulated lorries, which have sleeper cabs, spend a lot of time travelling back and forth from Dover and often stay out over night. However, they come back to Weydyke Bank Farm once a week, where they are checked over and the trailers are washed. Over holidays, such as Christmas, the articulated lorries are parked at Weydyke Bank Farm.
6. At the weekends or times when there are fewer deliveries to be made, I go to Weydyke Bank Farm to check and change the oil and water, to wash the vehicles and to undertake other tasks at the yard. These tasks always take place at Weydyke Bank Farm and have done at least since 1997.
7. For the entire time I have been employed by DNS Transport, they have maintained an office at Weydyke Bank Farm to deal with the company's administrative needs.

and I make this solemn declaration conscientiously believing the same to be true, and by virtue of the provisions of the Statutory Declarations Act 1835.
