CASE OFFICER ASSESSMENT

Proposal

The application is to discharge conditions 8 (details of windows), 9 (details of doors) and 14 (drainage) of H05-0318-19).

Site Description

The site is currently agricultural land adjoining an existing farm yard immediately to the north. The latter includes a number of agricultural buildings and also a bungalow at the rear. A replacement dwelling is situated almost opposite.

History

H05-0318-19 - Proposed replacement dwelling - Granted 20 May 2019.

H05-0583-19 - Change of use of barn from agricultural to storage - Granted 6 August 2019.

Consultation Responses

None.

Planning Considerations

Conditions 8 (details of windows) - Smart Systems Ltd Alitherm 700 aluminium powder coated windows are proposed and are considered to be acceptable in terms of design/appearance.

Condition 9 (details of doors) - Smart Systems Ltd aluminium visofold doors are proposed and are considered to be acceptable in terms of design/appearance.

Condition 14 (drainage) -Foul water would be disposed of to a package treatment plant and surface water to a Polystorm Lite attenuation tank, with outfall to a drain. The submitted details are considered to be acceptable.

Conclusion

That conditions conditions 8 (details of windows), 9 (details of doors) and 14 (drainage) of H05-0318-19).

Additional Considerations

Public Sector Equality Duty

In making this decision the Authority must have regard to the public sector equality duty (PSED) under s.149 of the Equalities Act. This means that the Council must have due regard to the need (in discharging its functions) to:

A. Eliminate unlawful discrimination, harassment and victimisation and other conduct prohibited by the Act

B. Advance equality of opportunity between people who share a protected characteristic and those who do not. This may include removing or minimising disadvantages suffered by persons who share a relevant protected characteristic that are connected to that characteristic; taking steps to meet the special needs of those with a protected characteristic; encouraging participation in public life (or other areas where they are underrepresented) of people with a protected characteristic(s).

C. Foster good relations between people who share a protected characteristic and those who do not including tackling prejudice and promoting understanding.

The protected characteristics are age, disability, gender reassignment, pregnancy and maternity, race, religion or belief, sex and sexual orientation.

The PSED must be considered as a relevant factor in making this decision but does not impose a duty to achieve the outcomes in s.149. It is only one factor that needs to be considered, and may be balanced against other relevant factors.

It is not considered that the recommendation in this case will have a disproportionately adverse impact on a protected characteristic.

Human Rights

In making a decision, the Authority should be aware of and take into account any implications that may arise from the Human Rights Act 1998. Under the Act, it is unlawful for a public authority such as South Holland District Council to act in a manner that is incompatible with the European Convention on Human Rights. The Authority is referred specifically to Article 8 (right to respect for private and family life) and Article 1 of the First Protocol (protection of property).

It is not considered that the recommendation in this case interferes with local residents' right to respect for their private and family life, home and correspondence, except insofar as it is necessary to protect the rights and freedoms of others (in this case, the rights of the applicant). The Council is also permitted to control the use of property in accordance with the general public interest and the recommendation is considered to be a proportionate response to the submitted application based on the considerations set out in this report.
