STATEMENT OF CASE

This application is to obtain Town & Country Planning Permission for a small visitor centre within the grounds of a memorable gardens that has been set up by Mr H Payne and associates for remembrance of the victims of conflicts.

The small visitor centre will house memorabilia for the public to view on a daily basis.

Along with the visitor centre there is also an office and a security lodge for a groundsman to maintain the memorable garden as well as controlling the visitor centre. The reason for a security lodge is due to the previous thefts associated with the iron gates, etc.

The security will be part of the groundsman remit.
