DO NOT SCALE FROM THIS DRAWING This drawing is copyright and may not be shown, copied, photographed or used for any other purpose other than that for which it is issued. The Consultant undertakes to provide all information on site and report any discrepancies to the Architect. All details shown on the drawing including boundaries are based upon typical site conditions related to the area. No responsibility can be accepted for abnormal conditions which may be discovered during construction unless reported to the Architect at that stage. Amendments may be considered. Site and survey are approximate. In respect of boundaries to existing structures the consultant's role is advisory only. This drawing is limited in the amount of information contained and does not purport to contain a full description of the works. It is only for the purpose of providing Planning, Building Regulation approval. This drawing must not be used as a contract document. The works will not be approved or inspected on site by G. R. Merchant or any representative thereof. It is the client or their appointed agents responsibility to control workmanship, substitution of materials, adherence to all materials to be used, correct interpretation and use of the drawing. The Employer/Client should ensure that the selected contractor is competent with and follows all relevant legislation to achieve compliance with health and safety regulations for building work and that the Employer/Client is advised that should the works need to comply with the Construction Design and Management Regulations an independent Planning Consultant will be required. The works and structure of all that is shown on this drawing and details which may not specifically shown but may be reasonably inferred as necessary to carry out the works shall be deemed to be included.
