'I have attached a photo from the Sycamore in question at Hovenden House.

The following info is to amend application number H05-0512-26

Change from felling sycamore to reduction for roof maintenance.

My editing of the photo is not great, but it shows in the blue colour two cuts to be made.

The lowest blue line will be to the stem of the tree and would remove branches marked in Orange/red.

The highest blue line indicates a cut back to another branch where it will then leave an area over the roof clear.

I hope this info. is satisfactory to complete this application.'

Applicant.

Yours sincerely
