Thank you for your enquiry. The previous application submitted in 2013 stated that the size of the agricultural unit was 4.5 hectares. If this unit size has not been increased then an application for full planning permission for an agricultural building is required. The fee is dependent on the square metre size of the building. The proposed size is 784.75 square metres, therefore the fee would be £924.00.
Along with submission of a Full Planning Application form, the Local Planning Authority will also require:
- One copy of an up to date 1:2500 / 1:1250 site location plan with the application site edged in red and any other land owned outlined in blue,
- One copy of 1:500 / 1:200 block plan with the application site edged in red and any other land owned outlined in blue. The north arrow must be shown and the plan should indicate all relevant details including all buildings, hard surface areas, walls and fences, as well as distances to adjacent boundaries from the proposed development.
- One copy of 1:100 / 1:50 existing and proposed elevation / floor plans / roof plans, or where applicable, annotated photographs with dimensions written on the plans.
- £924 fee.
Before submitting an application, please ensure you are submitting:
- the correct fee,
- a fully completed form with appropriate certificates signed and dated at the back of the form,
- All plans to be titled and sequentially numbered,
- All plans showing correct and accurate scale.
- A completed checklist showing that all relevant documents have been submitted.
