Dear Sirs

**PLANNING PORTAL REF. PP05315479
PLANNING APPLICATION FOR 6 ADDITIONAL LOG CABINS
LOWGATE, FLEET, SPALDING, PE12 8LP**

Following Planning Approval ref H05-0114-15 for 12 no. cabins around the lakes, we wish to make an application for 6 further cabins.

Interest in the original 12 cabin scheme has shown that we now need to make this application to increase the number of units. This application has been submitted via the Planning Portal and the fee of £2310 will be paid by BACS transfer using the Planning Portal reference noted above

Drawings/Documents uploaded

- 1:2500 Location Plan
- 1:500 Proposed Site Layout
- 1:500 Landscaping Layout
- Details of the log cabins

The Design & Access Statement and The Flood Risk Assessment were too large to upload so I enclose the information on a disc.

I had to register the application as residential on the fee calculation page to enable the cost advised by yourselves (£385 per cabin) to be calculated but this is not a residential application.

I trust this is satisfactory but if you require any further information please do not hesitate to contact me.

Yours faithfully
