Please tell us the location of the tree(s).
In the Memorial gardens at the rear of War Memorial
Old Main Rd, Fleet Hargate
Spalding
Lincolnshire

I give six weeks' notice that I intend to carry out the work that I have described below to tree(s) that are not covered by a Tree Preservation Order but situated within a

Conservation Area. Please give the name of the Conservation Area here: -

Please draw a sketch plan to show the location of the tree(s), either on the back of this form or on a separate sheet, then tell us...

Species of Tree	Tree ref. number or position on site	Details of the work you propose	Why you think this work is necessary	Proposed replacement tree(s)*
Cherry	In the Memorial Gardens	To remove diseased trees and remove tree stumps left from previous works. To thin out remaining trees to improve their wellbeing and help prevent further problems	Some of the trees have suffer from disease and could be a danger should they fall in bad weather	To leave at present for the area to recover

(Separate sheets can be attached if more room is needed)

* If you want to cut down a tree we will usually require you to replace it. Normally we will ask you to plant a young tree (at least 1.5 metres high) of the same species that you have cut down, as near to where the original tree was located as is practicable. Sometimes a comparable species may be allowed instead of the same species. Please give details of the tree(s) you would like to plant as a replacement.
