I am sending you this email on behalf of Mr W P Mills as he is having difficulty sending this to you from his email.
Kind regards [REDACTED]

Dear Mr S Shaban

REF : THE DEPOT, LANGARY GATE, GEDNEY HILL

With reference to your previous email relating to the planning permission of my storage shed at the above address, i have answered the questions you requested as follows:-

1) The storage building is used by myself only , Mr W P Mills

2) i have owned The Depot for more than 20 years, it was previously a Council Depot. My reason for buying it at the time was because i lived just up the road and it was ideal to store some personal belongings such as [REDACTED]
[REDACTED] but kept my storage shed. I have used the shed in the same way for 20 years and would like to continue to do so!

3) The reason for me restoring the shed was because it desperately needed maintenance, the roof was collapsing with very large cracks running through the brickwork, it was unsafe to use and not secure. I was advised if i was to keep some of the structure that was still in tact and build onto it ensuring i kept to the same dimensions/scale as before , that there wouldn't be an issue.

May i add that since this work has been put on hold i have had no option but to store my belongings elsewhere which is very inconvenient.

I hope this answers your questions and i look forward to hearing from you at your earliest convenience.

Kind regard's.

Mr W P Mills
