DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and must not be stored, reused, photographed or copied for any other purpose other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including foundations are based upon typical site conditions related to the area. No responsibility can be accepted for abnormal conditions which may be discovered during construction unless reported to the Architect so that design amendments may be considered. Site soil surveys are recommended in respect of foundations to establish specific site conditions before the foundation work is undertaken. This drawing is limited to the amount of information provided and the Architect cannot be responsible for problems that may occur in the execution of the works undertaken on the basis of this drawing by contractors or sub-contractors who have not been employed under the Architect's direct supervision. This drawing is not to be used as a contract document unless. The works will not be supervised or inspected on site by G.R. Merchant or any representative thereof. It is the client or their appointed agents responsibility to control workmanship, specification of materials, adherence to specification, variations to contract and all materials to be new unless otherwise stated and all components and materials etc. to be used, fitted and installed etc. to strict accordance with manufacturers instructions and relevant code of practice. Materials shall conform to appropriate British standard specification or BSA certificate or European equivalent. The Contractor shall be responsible for the adequate temporary bracing of the structure and shall carry out all measures necessary to achieve compliance with Health and Safety legislation for Building sites and Work places. The Employer / Client is advised that should the works need to comply with the Construction Design and Management Regulations an Independent Planning Supervisor will be required. The works shall comprise of all that is shown on the drawing and details. Work that may not specifically be shown but may be reasonably inferred as necessary to carry out the works shall be deemed to be included. It is the plot / land owners responsibility to be aware of the Party Wall etc. Act 1996, when building in close proximity to adjoining neighbors boundaries.
