DO NOT SCALE FROM THIS DRAWING
This drawing is copyright and may not be altered, traced, photographed or used for any other purpose other than that for which it is issued. The Client/Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including illustrations are based upon limited site conditions revealed to the week. No responsibility can be accepted by us for any unusual conditions which may be discovered during construction unless reported to the Architect in time. Drainage and service runs shown are diagrammatic only and subject to reconnection. It is assumed at tender stage that adequate services are available for connection unless the contrary is stated. This drawing is limited to the amount of information contained and does not purport to constitute a full specification of the works. It is solely for the purpose of obtaining Planning / Building Regulation approval. This drawing must not be used as a standard document alone. The works will not be supervised or inspected on site by G.R. Merchant or any representative thereof. It is the client or their appointed agent responsibility to appoint contractors, substitution of materials, advances to specification, variations to approved AMEND materials to be same unless otherwise stated and all components and materials are to be used fixed and installed etc. in strict accordance with manufacturers instruction and relevant code of practice. Materials shall conform to appropriate British standard specification or BBA certificate or Euro-norm where applicable. The Employer / Client shall ensure that the selected contractor is conversant with and abides all measures necessary to achieve compliance with Health and Safety legislation for Building sites and Work places. The Employer / Client is advised that should the works need to comply with the Conservation (Natural Habitats) and Management Regulations or Independent Planning Requirements or Conditions. The works shall commence at all times in accordance with the Party Wall etc. Act 1996 and the Building Regulations. The Employer / Client is advised that should the works need to comply with the Party Wall etc. Act 1996, when building in close proximity to adjoining neighbors boundaries. The works shall be deemed to be included. It is the plot / land owners responsibility to be aware of the
