TOWN AND COUNTRY PLANNING ACT 1990

FULL

Reference: H05-0849-18 **Date of Decision:** 19th November 2018

Applicant: Applegate Homes (Lincs) Ltd
7 Endeavour House
Enterprise Way
Pinchbeck
Spalding Lincs

Location: Fleet Garden Centre Fleet Road Fleet Spalding

Description: Demolition of existing site and proposed residential development and associated works (8 dwellings) - Re-submission of refused application H05-0871-17

South Holland District Council hereby give notice that this application has been REFUSED for the above proposal for the following reason(s):

1 Although the proposal is deliverable and would help to provide the supply of housing required to meet the needs of present and future generations this factor is outweighed by the harm that the proposal would cause in terms of other economic and environmental factors, including the loss of a commercial site and the development's effect upon the character and appearance of the rural locality and countryside. The site is situated between Holbeach and Fleet Hargate within an area where existing development is generally scattered. It is considered that the replacement of existing rural buildings with a housing estate would domesticate and urbanise the site and consolidate existing residential development within the countryside, to the detriment of its prevailing rural character. Further, it would cumulatively erode the physical separation between Holbeach and Fleet Hargate.

The site is not therefore considered to be a suitable site for housing with particular regards to the principles of sustainable development and the protection of the rural character of

the countryside. It is therefore contrary to Policies SG1, SG2, SG4, HS7, EC3 and SG14 of the South Holland Local Plan and Paragraphs 7, 8, 11, 79 and 170 of the National Planning Policy Framework, 2018. Paragraph 8 indicates that new housing should be in a sustainable location and contribute towards protecting and enhancing the environment. Paragraph 170 indicates that planning should recognise the intrinsic character of the countryside.

2 The site falls within Flood Zone 3a (High Probability) within the Environment Agency's Flood Maps. It is identified as "Danger for Some" within the South Holland Strategic Flood Risk Assessment (2017), which is used as a basis to apply the sequential test in terms of flood risk. There are alternative sites appropriate for the proposed development that are reasonably available, more sustainable and which are located in areas with a lower risk of flooding. Moreover, the proposal fails the exceptions test because the proposal would not provide wider sustainability benefits to the community that outweigh flood risk. The proposal therefore conflicts with advice within paragraphs 155 to 161 of the National Planning Policy Framework, 2018.

Notes:

The Local Planning Authority has acted positively and proactively in determining this application by assessing it against all material considerations, including national guidance, planning policies and representations that have been received during the public consultation exercise. However, the issues are so fundamental to the proposal, due to the harm which has been clearly identified within the reasons for the refusal, that approval has not been possible.

RIGHTS OF APPEAL

Appeals to the Secretary of State

If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or grant consent subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990 or Section 20 of the Planning (Listed Building and Conservation Areas) Act 1990.

Timescales for appealing

The deadlines for appeals are calculated from the **date of decision** and are as follows for the types of applications below:

12 Weeks	6 Months	8 Weeks
Householder Applications	Planning Permission	Consent to Display Adverts
Minor Commercial Development	Listed Building Consent	
Agricultural Determinations	Other Prior Approval Applications	
Householder Prior Approval Applications		

Enforcement Notices

If an enforcement notice was served prior to the planning application being determined then the deadline for appealing is 28 days from the date of the **planning refusal**

If an enforcement notice is served after the planning application is determined then the deadline for appealing is 28 days from the date of the **enforcement notice** OR **the timescales stated above for each application type** from the date of the planning refusal - whichever is sooner.

All appeals must be made using an Appeal Form which you can get from The Planning Inspectorate at Temple Quay House, 2 The Square, Bristol, BS1 6PN (tel: 0303 444 5000) or you can submit your appeal online at:

http://www.planningportal.gov.uk/planning/appeals/online/makeanappeal

The Secretary of State can allow a longer period for giving notice of an appeal but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions it imposed, having regard to the statutory requirements, to the

provisions of the development order and to any directions given under the order. In practice the Secretary of State does not refuse to consider appeals solely because the Local Planning Authroity based its decision on a direction given by him.

Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grant it subject to conditions the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of the Part VI of the Town and Country Planning Act 1990 or Section 32 of the Planning (Listed Building and Conservation Areas) Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference of the application to him.

These circumstances are set out in Section 114 and related provisions of the Town and Country Planning Act 1990 and Section 27 of the Planning (Listed Building and Conservation Areas) Act 1990.
