Subject: Baytree house

Good morning Mr Gedney

Please find details of the bricks and front door..

The bricks are as close I can find to baytree house and a quite a bit darker in the flesh they match really well..epworth handmade red are the make.

Also the door goes very well with the dwelling I appreciate it's not a planning condition but as we discussed these are the details as requested.

I can also confirm we will also install a wooden fence to the boundary that surrounds the garage as discussed today.

It will replicate the north eastern elevation fence we proposed on our conditions discharge form.

King regards
Steve Stinders
