14 October 1994

Dear Sir

Condition Compliance Application H05/0918/94 - Landscaping Details (Condition No. 5 of Application H05/0319/94), Bungalow, Branches Lane, Holbeach. (I Dack).

I refer to the above application submitted by yourself.

I advise that no objections are raised in principle to the landscaping scheme. However, the occupier of 21 Branches Lane has raised concern about the close proximity of the proposed whitebeam and crimson king maple to his rear boundary. He especially considers that in the future they may well block sunlight in respect of his rear garden. Accordingly, would it be possible to reposition the trees in question?

Finally, the occupier of No. 21 Branches Lane has also stressed that his fence is in fact positioned two feet inside his rear boundary and not on it as shown on the submitted plans. I would be grateful, therefore, if you could amend the plans to indicate this.

I look forward to your response in respect of the above within the next 10 days, so that I am in a position to proceed with the application.

Yours faithfully

D M Gedney
