Description: Modification of Conditions 1 & 4 of H05-0622-18 to allow amendments to previously approved plans and increase the number of caravans from 28 to 38

South Holland District Council hereby give notice that this application has been GRANTED (or equivalent) subject to the following condition(s):

- 1 The development must be begun not later than the expiration of three years beginning with the date of this permission.

Reason: As required by Section 91 of the Town and Country Planning Act 1990 as amended by the Planning and Compulsory Purchase Act 2004.

- 2 The development hereby permitted shall be carried out in accordance with the following approved plans:
1182-0001-01;
1182-0003-003.

Reason: For the avoidance of doubt and in the interests of proper planning.

- 3 The static caravans shall be used as holiday accommodation only and shall not be occupied during the period 1 April and 30 April in any one year. They shall not be

occupied as a person's sole or main place of residence.

Reason: To ensure that the development is restricted to holiday use only and not used for residential purposes. Residential use would be contrary to the provisions of Policies 1 and 9 of the South East Lincolnshire Local Plan, 2019 and advice within the National Planning Policy Framework, 2019.

- 4 An up-to-date register of the names, main home addresses, visiting dates and length of stay of all visitors to the site shall be maintained at all times and be available for inspection by the Local Planning Authority at all reasonable times.

Reason: To ensure that the development is restricted to holiday use only and to prevent static caravans from being used for residential purposes. Residential use would be contrary to the provisions of Policies 1 and 9 of the South East Lincolnshire Local Plan, 2019 and advice within the National Planning Policy Framework, 2019.

- 5 No more than 38 static caravans shall be allowed on the whole of the holiday park (as outlined in red on the submitted plans) at any one time.

Reason: To define the terms of the permission and to ensure that the nature, scale and appearance of the development is acceptable.

This Condition is imposed in accordance with Policies 2 and 9 of the South East Lincolnshire Local Plan, 2019.

- 6 The amenity area shown on dwg. no. 1182-001-003 accompanying the application shall be grassed and be made permanently available for use by occupiers of the static caravans.

Reason: To ensure that the holiday park has an adequate amenity area.

This Condition is imposed in accordance with Policies 2, 3 and 9 of the South East Lincolnshire Local Plan, 2019.

- 7 Details of any additional external lighting to be installed on the premises shall be submitted to and approved in writing by the Local Planning Authority before such lighting is installed.

Reason: In the interests of visual and residential amenity.

This Condition is imposed in accordance with Policies 2 and 30 of the South East Lincolnshire Local Plan, 2019.

- 8 Prior to the occupancy of any additional static caravan permitted by virtue of this permission an upgraded package treatment plant shall be installed on site in accordance with full details to be submitted to and approved in writing by the Local Planning Authority. It shall be installed and be fully operational prior to any of the additional static caravans hereby permitted being brought into use.

Reason: To ensure that the site is adequately drained, to avoid pollution, and to prevent increased risk of flooding.

This Condition is imposed in accordance with Policies 2, 3 and 30 of the South East Lincolnshire Local Plan, 2019 and national guidance contained in Section 14 of the National Planning Policy Framework, 2019.

- 9 The new foul sewage package treatment plant shall be screened in accordance with details to be submitted to and approved in writing by the Local Planning Authority. The scheme of screening shall be fully implemented before any of the additional static caravans hereby permitted are brought into use and shall thereafter be retained in its entirety.

Reason: In the interests of visual and residential amenity.

This Condition is imposed in accordance with Policies 2, 3 and 30 of the South East Lincolnshire Local Plan, 2019.

- 10 The floor levels of the static caravans shall be set a minimum of 500mm above the existing ground level and the caravans shall be secured to the ground to prevent them becoming mobile during a flood event.

Reason: To reduce the risk and impact of flooding on the development and future occupants in accordance with advice within Section 14 of the National Planning Policy Framework, 2019.

Notes:

The Local Planning Authority has acted positively and proactively in determining this application by assessing it against all material considerations, including national guidance, planning policies and representations that have been received during the public consultation exercise, and by identifying matters of concern within the application and negotiating, with the Applicant, acceptable amendments to the proposal to address those concerns. As a result, the Local Planning Authority has been able to grant planning permission for an acceptable proposal.

This decision notice, the relevant accompanying report and the determined plans can be viewed online at <http://planning.sholland.gov.uk/OcellaWeb/planningSearch>

The applicant is reminded that an application will also need to be made to South Holland District Council for an amended Caravan Site Licence under the Caravan and Control of Development Act, 1960.

The applicant is advised that a Permit to Discharge will be required from the Environment Agency concerning the foul water package treatment plant.

In accordance with advice from the Environment Agency, the applicant is advised to prepare a flood warning and evacuation plan, undertaken and agreed in consultation with the Local Planning Authority's Emergency Planning Officer.

RIGHTS OF APPEAL

Appeals to the Secretary of State

If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or grant consent subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990 or Section 20 of the Planning (Listed Building and Conservation Areas) Act 1990.

Timescales for appealing

The deadlines for appeals are calculated from the **date of decision** and are as follows for the types of applications below:

12 Weeks	6 Months	8 Weeks
Householder Applications	Planning Permission	Consent to Display Adverts
Minor Commercial Development	Listed Building Consent	
Agricultural Determinations	Other Prior Approval Applications	
Householder Prior Approval Applications		

Enforcement Notices

If an enforcement notice was served prior to the planning application being determined then the deadline for appealing is 28 days from the date of the **planning refusal**

If an enforcement notice is served after the planning application is determined then the deadline for appealing is 28 days from the date of the **enforcement notice OR the timescales stated above for each application type** from the date of the planning refusal - whichever is sooner.

All appeals must be made using an Appeal Form which you can get from The Planning Inspectorate at Temple Quay House, 2 The Square, Bristol, BS1 6PN (tel: 0303 444 5000) or you can submit your appeal online at:

<http://www.planningportal.gov.uk/planning/appeals/online/makeanappeal>

The Secretary of State can allow a longer period for giving notice of an appeal but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions it imposed, having regard to the statutory requirements, to the

provisions of the development order and to any directions given under the order. In practice the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based its decision on a direction given by him.

Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grant it subject to conditions the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of the Part VI of the Town and Country Planning Act 1990 or Section 32 of the Planning (Listed Building and Conservation Areas) Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference of the application to him.

These circumstances are set out in Section 114 and related provisions of the Town and Country Planning Act 1990 and Section 27 of the Planning (Listed Building and Conservation Areas) Act 1990.
