Spalding Lincs
PE12 8RW
Location: Bloodfold Farm Ravens Bank Gedney Spalding
Description: Two storey rear extension and garage complex

South Holland District Council hereby give notice that this application has been GRANTED (or equivalent) subject to the following condition(s):

- 1 The development must be begun not later than the expiration of three years beginning with the date of this permission.

Reason: As required by Section 91 of the Town and Country Planning Act 1990 as amended by the Planning and Compulsory Purchase Act 2004.

- 2 The development hereby permitted shall be carried out in accordance with the following approved plans: Drw No AJD/1055/16/02B, AJD/1055/16/03, AJD/1055/16/03 2, AJD/1055/16/00, AJD/1055/15/01A, Heritage Impact Assessment.

Reason: For the avoidance of doubt and in the interests of proper planning.

- 3 Before the commencement of the development hereby permitted a written schedule and samples of external materials of construction of buildings and hard surfaced areas shall be submitted to and approved in writing by the Local Planning Authority. The

development shall be constructed in accordance with the schedule and samples so approved.

Reason: To ensure that the Local Planning Authority retains control over the external materials of construction of the development in the interests of the appearance of the development and the character and visual amenity of this part of the Conservation Area in which it is set.

This Condition is imposed in accordance with national guidance set out in Section 12 to the National Planning Policy Framework, 2012.

- 4 The brickwork to the development hereby permitted shall be constructed in English Garden Wall bond at a ratio of one course of headers to every three courses of stretchers.

Reason: In the interests of the appearance of the development and the character and visual amenity of this part of the Conservation Area in which it is set.

This Condition is imposed in accordance with national guidance set out in Section 12 to the National Planning Policy Framework, 2012.

- 5 A one metre square freestanding panel of brickwork showing the type of brick to be used in the construction of the development hereby permitted shall be constructed on site and approved by the Local Planning Authority before the commencement of the development hereby permitted. All new brickwork shall match that of the approved panel in terms of the type of bricks used, the method of bonding, mortar colour and pointing style, unless otherwise agreed in writing by the Local Planning Authority. The brickwork panel so constructed shall be retained on the site until the development hereby approved has been completed.

Note: The applicant is advised that a buff coloured mortar (using white Portland cement or similar) and a flush, 'bagged' finish to reveal the aggregate in the mortar will be appropriate.

Reason: To ensure that the Local Planning Authority retains control over the external materials of construction of the development in the interests of the appearance of the development and the character and visual amenity of this part of the Conservation Area in which it is set.

This Condition is imposed in accordance with national guidance set out in Section 12 to the National Planning Policy Framework, 2012.

- 6 Notwithstanding the submitted details, the guttering to the development hereby permitted shall be of black painted metal construction fixed to the external walls by means of gutter spikes/rise and fall brackets and no fascia boarding shall be used unless otherwise agreed in writing by the Local Planning Authority.

Reason: In the interests of the appearance of the development and the character and visual amenity of this part of the Conservation Area in which it is set.

This Condition is imposed in accordance with national guidance set out in Section 12 to the National Planning Policy Framework, 2012.

- 7 Details of the design of all external doors and door frames to be utilised in the development hereby permitted shall be submitted to and approved in writing by the Local

Planning Authority before the development is commenced. Such details shall indicate, at a scale of not less than 1:10, the longitudinal and cross-sectional detailing, threshold and lintol detailing, means of opening and finish. The doors and door frames shall be installed in accordance with the approved details and thereafter so maintained.

Reason: To ensure that the Local Planning Authority retains control over these details of the development in the interests of the appearance of the development and the character and visual amenity of this part of the Conservation Area in which it is set.

This Condition is imposed in accordance with national guidance set out in Section 12 to the National Planning Policy Framework, 2012.

- 8 The windows to the development hereby permitted shall be traditional, painted timber, box sliding sashes, set at least 10 cm in reveal, with the boxes recessed behind the masonry. The sashes shall have 2/2 panes, solid glazing bars, decorative horns, no visible trickle vents, and full constructional details, at a scale of not less than 1:10, or full scale samples shall be submitted to and approved in writing by the Local Planning Authority before development is commenced. The windows shall be installed in accordance with the approved details and thereafter so maintained.

Reason: To ensure that the Local Planning Authority retains control over these details of the development in the interests of the appearance of the development and the character and visual amenity of this part of the Conservation Area in which it is set.

This Condition is imposed in accordance with national guidance set out in Section 12 to the National Planning Policy Framework, 2012.

Notes:

The Local Planning Authority has acted positively and proactively in determining this application by assessing the application against all material considerations, including national guidance, planning policies and representations that have been received during the public consultation exercise, and by identifying matters of concern within the application and negotiating, with the Applicant, acceptable amendments to the proposal to address those concerns. As a result, the Local Planning Authority has been able to grant planning permission for an acceptable proposal in as timely a manner as possible, in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.

RIGHTS OF APPEAL

Appeals to the Secretary of State

If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or grant consent subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990 or Section 20 of the Planning (Listed Building and Conservation Areas) Act 1990.

Timescales for appealing

The deadlines for appeals are calculated from the **date of decision** and are as follows for the types of applications below:

12 Weeks	6 Months	8 Weeks
Householder Applications	Planning Permission	Consent to Display Adverts
Minor Commercial Development	Listed Building Consent	
Agricultural Determinations	Other Prior Approval Applications	
Householder Prior Approval Applications		

Enforcement Notices

If an enforcement notice was served prior to the planning application being determined then the deadline for appealing is 28 days from the date of the **planning refusal**

If an enforcement notice is served after the planning application is determined then the deadline for appealing is 28 days from the date of the **enforcement notice** OR **the timescales stated above for each application type** from the date of the planning refusal - whichever is sooner.

All appeals must be made using an Appeal Form which you can get from The Planning Inspectorate at Temple Quay House, 2 The Square, Bristol, BS1 6PN (tel: 0303 444 5000) or you can submit your appeal online at:

<http://www.planningportal.gov.uk/planning/appeals/online/makeanappeal>

The Secretary of State can allow a longer period for giving notice of an appeal but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions it imposed, having regard to the statutory requirements, to the

provisions of the development order and to any directions given under the order. In practice the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based its decision on a direction given by him.

Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grant it subject to conditions the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of the Part VI of the Town and Country Planning Act 1990 or Section 32 of the Planning (Listed Building and Conservation Areas) Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference of the application to him.

These circumstances are set out in Section 114 and related provisions of the Town and Country Planning Act 1990 and Section 27 of the Planning (Listed Building and Conservation Areas) Act 1990.
