ALBANY

Designed to cater for your individual needs

Intelligent internal design with immediate appeal creates a spacious and comfortable environment, whichever of the seven models you choose. The highly practical soft furnishing scheme is ideally suited for carefree family holidays, particularly if you intend to let out your holiday home to friends and family.

With ample storage throughout and well designed kitchens for easy preparation of family meals, there is an Albany for everyone.

Model shown has optional special pack fitted.

Details additional to those on the features page

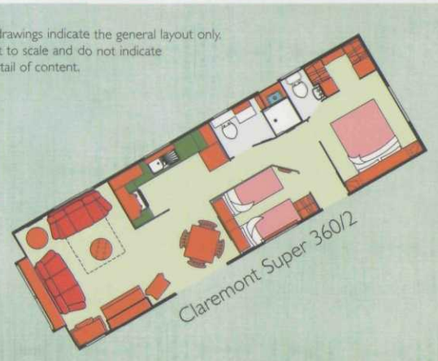

Lounge • recessed gas fire • net curtains • lined door curtain • upholstered built-in dinette

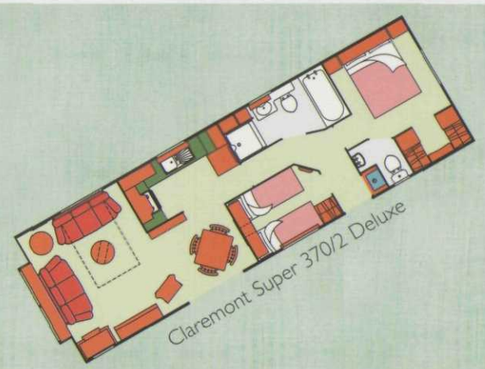

Bedrooms • 350W electric plinth heater in all bedrooms • lift-up bed in main bedroom

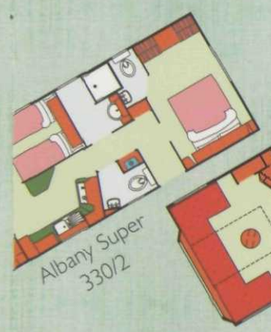

Shower • ceramic close-coupled toilet • ceramic semi-inset basin built into a large floor-standing cupboard • electric towel rail (also in any separate toilet) • extractor fan

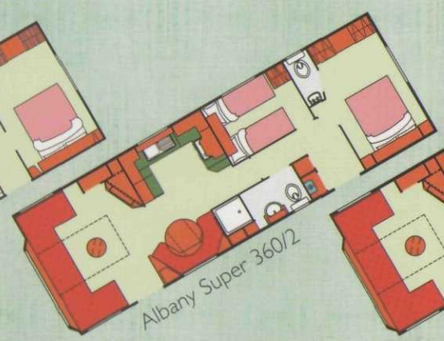

General • Morco 'instantaneous' gas water heater with electronic ignition • pre-painted ribbed aluminium panels • powder-coated aluminium-framed windows & door(s)
