Elite

The Class-winning ELITE range offers an exceptional blend of style quality and sheer value for money. All ELITES are 3.66 metres (12ft) wide and provide spacious and well-proportioned interiors with luxurious furnishings in attractive modern colourways. There is a choice of two and three bedroom models and all include a fold-away sofa bed located under the lounge seating to provide additional facilities for those occasional extra guests. The comprehensive standard ELITE specification includes PVC-u framed double glazed windows and doors and a full domestic central heating system is a popular option on all models.

ELITE bedrooms have well-dimensioned and comfortable beds and lots of wardrobe, drawer and cupboard storage. All twin beds are movable and 686mm (27in) wide.

ELITE kitchens are a joy to work in with top quality fittings and practical layouts. All provide housings for a microwave and refrigerator or fridge freezer. The full sized built-in cooker has a separate grill and electric ignition.

With traditional PEMBERTON build quality and backed by a manufacturer's warranty which is second to none, the ELITES are the ideal family choice.
