8/11/99.

Please...

Full details of the proposed development should be given in the application form and should include a description of the site, the proposed development, and the reasons for the proposed development.

If you are proposing any development which you wish to remove that development you should complete the following Application form.

If you are proposing a development which is not a new development you do not normally need to apply for planning permission unless the development specifically requires it.

2. The application is for approval of details required by a condition

(V)

✓

When the details are submitted

THE MOUND WILL BE CONSTRUCTED
OF GRADE 1 TOP & DUE TO THE
