FULL PLANNING APPLICATION - ASHWOOD HOMES
DWELLING AT EASTGATE, FLEET HARGATE

Thank you for the site plan of your above clients proposed development regarding which I have the following observations that should be brought to your clients and prospective purchasers attention.

No Board's or private watercourses adjoin the site.

I note a foul sewer connection is proposed and that soakaways are intended for the disposal of roof water run-off. I would suggest appropriate tests be undertaken to ensure the subsoils are suitable and that such soakaway systems will function adequately. Also that steps are taken where necessary to prevent surface water run-off creating embarrassment. Due consideration should however be given to the fact that ground water levels are very low due to the exceptionally dry conditions that have been experienced.

A copy of this letter is being forwarded to the Director of Planning in order he is aware of my observations.

Yours faithfully,

PP. ENGINEER TO THE BOARD
