Scales
1/50 1/100 [unless otherwise stated]

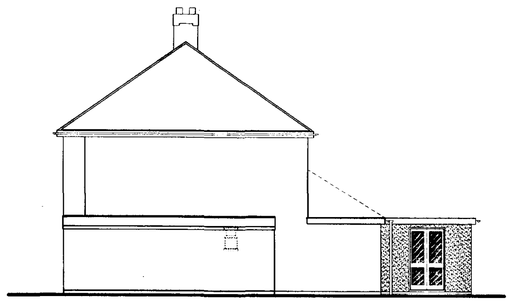

DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be altered, reused, photographed or used for any other purpose other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including Boundaries are based upon typical site conditions related to the area. No responsibility can be accepted for abnormal conditions which may be discovered during construction unless reported to the Architect as the design amendments may be considered. Site soil surveys are recommended in respect of foundations to establish specific site conditions before foundation work is undertaken. This drawing is limited to the amount of information contained and does not purport to contain a full specification of the works. It is solely for the purpose of obtaining Planning / Building Regulation approval. This drawing must not be used as a contract document alone. The works will not be supervised or inspected on site by G R Merchant or any representative thereof. It is the client or their appointed agents responsibility to ensure workmanship, substitution of materials, adherence to specification, compliance to contract etc.

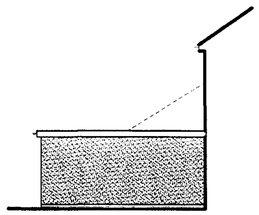

All materials to be new unless noted otherwise and shall be fixed and installed etc. to be used fitted and installed etc. in strict accordance with manufacturers instruction and relevant code of practice. Materials shall conform to appropriate British standard specification or BBA certificate or European code equivalent. The Employer / Client shall ensure that the selected contractor is conversant with and adopts all measures necessary to achieve compliance with Health and Safety legislation for Building sites and Work passes. The Employer / Client is advised that should the works need to comply with the Construction Design and Management Regulations an independent Planning Supervisor will be required. The works shall comprise of all that is shown on the drawing and details. Work that may not specifically shown but may be reasonably inferred all necessary to carry out the works shall be deemed to be included.

DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be altered, traced, photographed or used for any other purpose other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including dimensions are based upon typical site conditions related to the area. No responsibility can be accepted for abnormal site conditions which may be discovered during construction where hereinafter to be modified as that design and dimensions may be considered. Site and surrounding roads/footpaths to be kept clear of mud and debris during construction. Where work is to be undertaken in close proximity to or adjacent to the boundary of the site or overhead and there not particular to contain a full specification of the works. It is issued for the purpose of obtaining Planning / Building Regulation approval. This drawing must not be used as a contract document alone. The materials will not be supervised or inspected on site by Q R Merchant or any representative thereof. It is the client or their appointed agents responsibility to control workmanship, substitution of materials, adherence to specification, variations to contract etc.

All materials to be new unless otherwise stated and all components and materials etc. to be used fitted and installed etc. in strict accordance with manufacturers instruction and relevant code of practice. Materials shall conform to appropriate British standard specification or BBA certificate or European code equivalent. The Employer / Client shall ensure that the selected contractor is competent with and adopts all measures necessary to achieve compliance with Health and Safety legislation for building sites and Work places. The Employer / Client is advised that should the works need to comply with the Construction Design and Management Regulations an Independent Planning Supervisor will be required. The works shall comprise of all that is shown on the drawing and details. Work that may not specifically shown but may be reasonably inferred as necessary to carry out the works shall be deemed to be included.
