

In 2002 over 700 Lillevilla cabins were sold in the UK.

As you can see from the comments below our clients were absolutely delighted with there cabins and the standard of service provided.

We are absolutely thrilled with our beautiful cabin, it was so easy to construct and for a far smaller cost than building an extension to our home, we have a fantastic guest suite (sleeping 8 people) Thank you for an excellent product combined with customer service second to none.

Mrs Hitchins from Wilts

We cannot express the pleasure our cabin is giving. We use it as a wonderful summerhouse an art studio and a lovely extra room when we have visitors.

It is the best £2000.00 we have ever spent.

Mr & Mrs Pethers

I would like to take this opportunity to thank you for the excellent service we received and the fact that our cabin did not just live up to our expectations but exceeded them.

Mr & Mrs Whitfield From Leicestershire

The cabin is now our haven away from the children. Most nights you will find us relaxing in it. The quality, price and service were outstanding and were far beyond any other competitors. This is the best value item we have bought for our home. Our friends are very impressed and have expressed interest in a purchase of their own. Thank you for supplying a superb quality product.
