TOWN AND COUNTRY PLANNING ACT 1990

OUTLINE

Reference:	H06-0079-19	Date of Decision:	26th March 2019
Applicant:	Mr D Hall 33 Millers Close Rippingale Bourne Lincs PE10 0TH		
Location:	Plot 3 Marsh Road Gedney Drove End Spalding		
Description:	Proposed detached dwelling and attached garage		

South Holland District Council hereby give notice that this application has been REFUSED for the above proposal for the following reason(s):

- 1 The proposal could be deliverable and could help to provide the supply of housing required to meet the needs of present and future generations. However, the benefits are outweighed by the harm that the proposal would cause in terms of the development's effect upon the character, appearance and amenity of the area. In the opinion of the Local Planning Authority the erection of a two storey dwelling to address flood risk would constitute an incongruous and imposing form of development that would have a harmful effect upon the existing rural character of the fringe of village and would prejudice the continued existence of trees the subject of Gedney Drove End Tree Preservation Order no. 3, 1996. Moreover, the proposal would have a harmful effect upon the amenity of neighbouring residents in terms of its overbearing effect, overshadowing and blockage of light.

The site is not therefore considered to be a suitable site for housing with particular regards to the principles of sustainable development and the protection of the character and amenity of the area. The proposal is contrary to Policy 2 (Development Management) of the South East Lincolnshire Local Plan (March 2019) and advice within the National

Planning Policy Framework, 2019. Policy 2 of the SELLP indicates that sustainable considerations should be met in terms of impact upon the character and appearance of the area and the relationship to existing development and land uses, as well as impact upon neighbouring land uses. Paragraphs 122 and 127 of the Framework indicate that new development should be sympathetic to and maintain an area's prevailing character.

- 2 The South East Lincolnshire Strategic Flood Risk Assessment indicates that the site is located within an area identified as "Danger to All". It is possible for new housing to be delivered on sites that are in locations that are more environmentally sustainable and of lower flood risk. The proposal therefore fails to satisfy the sequential test. It is considered that the proposal would not provide wider sustainability benefits to the community that outweigh flood risk. The proposal is therefore contrary to Policy 4 of the South East Lincolnshire Local Plan and advice within paragraph 158 of the National Planning Policy Framework, 2019.

Notes:

The Local Planning Authority has acted positively and proactively in determining this application by assessing it against all material considerations, including national guidance, planning policies and representations that have been received during the public consultation exercise. However, the issues are so fundamental to the proposal, due to the harm which has been clearly identified within the reasons for the refusal, that approval has not been possible.

RIGHTS OF APPEAL

Appeals to the Secretary of State

If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or grant consent subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990 or Section 20 of the Planning (Listed Building and Conservation Areas) Act 1990.

Timescales for appealing

The deadlines for appeals are calculated from the **date of decision** and are as follows for the types of applications below:

12 Weeks	6 Months	8 Weeks
Householder Applications	Planning Permission	Consent to Display Adverts
Minor Commercial Development	Listed Building Consent	
Agricultural Determinations	Other Prior Approval Applications	
Householder Prior Approval Applications		

Enforcement Notices

If an enforcement notice was served prior to the planning application being determined then the deadline for appealing is 28 days from the date of the **planning refusal**

If an enforcement notice is served after the planning application is determined then the deadline for appealing is 28 days from the date of the **enforcement notice OR the timescales stated above for each application type** from the date of the planning refusal - whichever is sooner.

All appeals must be made using an Appeal Form which you can get from The Planning Inspectorate at Temple Quay House, 2 The Square, Bristol, BS1 6PN (tel: 0303 444 5000) or you can submit your appeal online at:

<http://www.planningportal.gov.uk/planning/appeals/online/makeanappeal>

The Secretary of State can allow a longer period for giving notice of an appeal but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions it imposed, having regard to the statutory requirements, to the

provisions of the development order and to any directions given under the order. In practice the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based its decision on a direction given by him.

Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grant it subject to conditions the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of the Part VI of the Town and Country Planning Act 1990 or Section 32 of the Planning (Listed Building and Conservation Areas) Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference of the application to him.

These circumstances are set out in Section 114 and related provisions of the Town and Country Planning Act 1990 and Section 27 of the Planning (Listed Building and Conservation Areas) Act 1990.
