Application	H06-0132-22
Location	Marsh Lane Gedney Drove End Spalding
Proposal	Change of Use of Barn into 2 Dwellings

Name	Sue Armour
Address	Environmental Protection Officer SHDC

Date Submitted	04-03-22
For/Against	Comments

I request that either the standard land contamination condition be applied at this location, or that the applicant completes a screening assessment form and submits it along with plenty of photos of both the inside and outdoor areas, including the former tank base, for consideration. The screening assessment form can be downloaded from https://www.sholland.gov.uk/article/11653/Planning-application-consultations
