AS STATED,

DO NOT SCALE FROM THIS DRAWING

the industry is struggling and on a tight budget, employees need to be very cost-conscious. The survey results show that employees are not only cost-conscious, but they are also very concerned about the company's financial health. The survey results also show that employees are very concerned about the company's future. The survey results show that employees are very concerned about the company's future. The survey results show that employees are very concerned about the company's future.
