DO NOT SCALE FROM THIS DRAWING
This drawing is copyright and may not be altered, loaned, photographed or used for any other purpose other than that for which it is issued. The Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including dimensions are based upon general site conditions and it is the responsibility of the contractor to be satisfied for abnormal conditions which may be discovered during construction prior to commencing any work. Any deviations arising from the information shown on this drawing must be reported to the Architect for their design arrangements prior to construction. We and surveyor are appointed in respect of foundations to establish specific site conditions before foundation work is commenced. This drawing is limited to the amount of information given and does not purport to contain a full specification of the works. It is solely for the purpose of obtaining Planning / Building Regulation approval. This drawing must not be used as a contract document which may not be copied, altered or imported on site by G R Merchant or any representative thereof. It is the client or their agents sole responsibility to control implementation, submission of materials, alterations to specification, variations to contract etc.
All materials to be new unless otherwise stated and all components and materials etc. to be used fitted and installed etc. in strict accordance with manufacturers instructions and relevant codes of practice. Materials shall conform to appropriate British standard specification or European equivalent. The Employer / Client shall ensure that the selected contractor is experienced in the type of work required and has adequate insurance cover. Any proprietary systems, products or specialist work shall be carried out by competent persons / firms to the satisfaction of the Building Control Officer. The Employer / Client is advised that it is their responsibility to ensure that all the necessary consents are obtained before any work commences. The design and specification of all work is shown in the drawings and details. Work that may not specifically shown but may be reasonably inferred as necessary to carry out the works shall be deemed to be included.
