preserve the setting of nearby listed buildings.
This Condition is imposed in accordance with Policy SG20 of the South Holland Local Plan 2006 and national guidance contained in Section 12 of the National Planning Policy Framework, 2012.

4 Details of the materials to be used to construct the frontage wall, including samples if so required, shall be submitted to and approved in writing by the Local Planning Authority before the wall is commenced. All the materials used in the development shall conform to the details/samples so approved.

Reason: To ensure that the Local Planning Authority retains control over the external materials of construction of the development in the interests of the appearance of the development, and to preserve the setting of nearby listed buildings.
This Condition is imposed in accordance with Policy SG14 of the South Holland Local Plan 2006 and national guidance contained in Section 12 of the National Planning Policy Framework, 2012.

5 The development hereby permitted shall be carried out in general accordance with the measures set out in the Flood Risk Assessment forming part of this planning application, including the following mitigation measure:
- Flood resilient measures shall be incorporated throughout the development to a minimum height of 300mm above surrounding ground levels.
The mitigation measures shall be fully implemented prior to occupation.

Reason: To reduce the risk of flooding of the proposed development and future occupants.
This Condition is imposed in accordance with national guidance contained in Section 10 of the National Planning Policy Framework, 2012.

The Local Planning Authority has acted positively and proactively in determining this application by assessing the application against all material considerations, including national guidance, planning policies and representations that have been received during the public consultation exercise. As a result, the Local Planning Authority has been able to grant planning permission for an acceptable proposal in as timely a manner as possible, in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.
