Floor Level

60 Main Street, Gedney Dyke, Spalding, Lincs

PROPOSED CHANGE OF USE FROM FORMER POST OFFICE TO ENTIRE RESIDENTIAL PROPERTY

Floor levels within the proposal will be set no lower than the existing levels of the dwelling and all necessary floor proofing measures will be installed to the proposal where appropriate.

The levels on site will not be altered that currently exist. The proposed does not involve any highway or driveway changes in height as the application only poses alteration to the internal layout of the property where the land continues lays flat.
