Scales
AS INDICATED.

DO NOT SCALE FROM THIS DRAWING
This drawing is copyright and may not be altered, traced, photographed or used for any other purpose other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing indicating foundations are based upon typical site conditions related to the area. No responsibility can be accepted for abnormal conditions which may be encountered during excavation operations. Any variations required by the Architect or local Building Control Officer may be necessary. Site and services are recommended in respect of boreholes or trial excavations to establish specific site conditions before foundation work is undertaken. This drawing is limited to the amount of information contained and does not purport to contain a full specification of the works. It is solely for the purpose of obtaining Planning / Building Regulation approval. This drawing must not be used as a contract document unless. The works will not be supervised or inspected on site by G.R. Merchant or any representative thereof. It is the client or their appointed agents responsibility to appoint and employ contractors of reputation, adequately experienced in the trades, capacities to construct the Job materials to be new unless otherwise stated and all components and materials etc. to be used fixed and installed etc. in strict accordance with manufacturers instructions and relevant code of practice. Materials shall conform to appropriate British standard specification or BBA certificate of fitness where applicable. The Employer / Client shall ensure that the selected contractor is experienced with and adopts all measures necessary to address compliance with Health and Safety legislation for Building sites and Work places. The Employer / Client is advised that should the works need to comply with the Construction Design and Management Regulations an independent Planning Supervisor will be required. The works shall complete of all final to above are the drawing and details. Work that may not specifically be shown but may be reasonably inferred as necessary to carry out the works shall be deemed to be included. It is the part / land owners responsibility to be aware of the Party Wall etc. Act 1996 when building to close proximity to adjoining neighbours boundaries.
