Proposal Proposed storage compound and storage building and office in old station house associated with construction specialists (thus the existing B1 classification remains) (re-submission of H06-0077-17)

Name Louise Jennings Historic Environment Officer
Address Lincolnshire County Council Unit 4 Witham Park House Waterside South LN5 7JN

Date Submitted 28-07-17
For/Against Comments

This was an important historic building that in the past has been subject to requests from this department to record in advance of development. Unfortunately this has not happened and this building has been gutted to the extent that all the historic fabric has virtually been obliterated. Given this this department does not wish to make further comments on this application.
