This is a copyright notice for the drawing. It states that the drawing is the property of the General Contractor and is not to be reproduced or used in any way without the written consent of the General Contractor. It also states that the drawing is not to be used for any purpose other than the specific project it was created for.

The drawing is a technical drawing of a building. It shows the layout of the building, including the rooms, corridors, and exterior walls. It also shows the location of various fixtures and equipment, such as doors, windows, and light fixtures. The drawing is a detailed representation of the building's design and is used to guide the construction process.
