Application H06-0648-16
Location C WRIGHT AND SON (GEDNEY) LTD WHITE HOUSE FARM MAIN STREET PE12 0AJ
Proposal Change of use of agricultural building into a dwelling.

Name J Reith
Address Environmental Health Technician Safety and Environment

Date Submitted 03-08-16
For/Against Comments

Can the applicant please provide further information relating to the former use of the barn and potential for contamination. For example are there/have there been any fuel storage tanks within close proximity of the barn? Were fuels or chemicals stored within the barn at any time?
Many thanks.
