BIODIVERISTY NET GAIN EXEMPTION STATEMENT

REPAIRS & RE-ROOFING ON EXISTNG BUILDING, NEW TIMBER FRAMED BUILDING RETROSPECTIVE

AT

BLAZEGATE

LUTTON

FOR

MR E HARRIS

This work was minor building work and repairs on existing building. The land is hard surfaced and all exiting trees on site will remain. The buildings on site are retrospective and where there more than 4 years ago which is before the biodiversity Net gain requirement. On this basis it is considered that biodiversity net gain is exempt.
