I have reviewed the EPS Limited 'Remedial Strategy & Method Statement Land at Main & Dawsmere Road Gedney Drove End Spalding Lincolnshire PE12 9PG' ref UK19.4525b dated 02/09/2019 Issue 3 and confirm that this meets the requirements of part iii of condition 7 of H06-0296-17, subject to the testing of imported materials meeting the minimum testing rate as set out in the YALPAG Guidance 'Verification - Requirements for cover systems' which can be downloaded from <https://www.sholland.gov.uk/article/11653/Planning-Application-Consultations-Condition-Discharge>.

I look forward to receiving the verification report in due course, which is required in order to fully discharge condition 7.
